

# Myra Wennerström – Sound Designer & Composer

Myra Wennerström a.k.a. Audio Ant. I'm a sound designer and music composer from Halland (Sweden) writing to you to apply for an internship (I'm studying at Östra Grevie folkhögskola in Malmö, and in spring of 2026 we're off to work at a game studio.)

Check me out! Here's my sound portfolios:

- Sound design <https://audioantsounddesign.wordpress.com/>
- Music/composing <https://audioantmusic.wordpress.com/>

Professional stuff:

- I've worked with [TGA](#) and done sound implementation through Fmod.
- My compositions and sound effects have been featured in one of [SVT's programs](#).
- I partook in the [global game jam](#) of 2025 in Malmö.
- I love recording foley and a lot of my designs consist of it.
- Reaper is my primary DAW but I can also work in Logic.
- I love creating cozy orchestral music for games/cutscenes. I also like trying new things and being experimental with my compositions.

Personal quick facts:

- 20 years old, she/her
- Love a good bouldering session with my friends (rock climbing). I like playing the recorder and cello.
- I'm comfortable with moving for work
- Favourite games: Stardew Valley, Balder's gate 3 and Undertale!

Want to know more about the [internship specifics?](#)

## EDUCATION AND JOBS

### Östra Grevie Folkhögskola, Vellinge (ongoing)

AUGUSTI 2024 - JUNE - 2026

Here I learn everything from recording foley and producing sounds digitally - to compose virtual music to primarily games - as well as mixing and mastering.

### Sturegymnasiet, Halmstad

AUGUST 2021 - JUNE 2024

The Aesthetic Music Program. Here I created digital music in Logic. Learned about music theory and note reading. Practiced my instruments, learned to sing in a choir, express myself in music in different ways, play in an ensemble and much more.
